Distinguished Service Award

Awarded to a person "who has clearly given very special service to IMEA or to the goals and purposes of IMEA". The recipient is "clearly recognizable Statewide, and the service for which the Award is given, represents a long-range commitment that, in every way, can be considered extraordinary and distinguished".

Required supporting materials:

1. Current vitae, including education and employment record.
2. Summary of achievements, contributions or service which qualifies nominee for this award.
3. Three to five letters in support of the nomination are expected.

Note: The Nominator should collect all the information and send the complete package to the Awards Chair by **the third Friday in October annually.** Incomplete nominations may not be considered.
