Nov. 19            Time: 8:30am            Place: Illinois State University, Metcalf Lab School, Room 205            Information: Clinician - Monica Romano</p> <p>Education Through Music ("ETM") is a language-based program for teachers and caregivers that incorporates song, movement, and play to develop intelligence. By acknowledging the correlation between play, imagination, and intelligence, ETM reduces impulsivity and aggression in children. It focuses on creating and recognizing beauty with <i>all</i> children while promoting musical and aural development, social skills, literacy, imagination and more." The session will provide an overview of Education Through Music along with materials for use in your classroom.</p>
