General Information

- A huge thank you goes to the Bloomington music staff for all their efforts in hosting auditions so faithfully every year. Your work is greatly appreciated!
- IMEA audition headquarters will be located in the high school library. **This area is for judges and chairpersons only.** Directors and bus drivers may use the teachers lounge area to the right of the cafeteria.
- Upon arrival, students should find their audition room.
 - **Jr. and Sr. Band, Jr. and Sr. Jazz Bands, Vocal Jazz Ensemble, and Sr. Orchestra** need to sign up for an audition time on their audition room door. Jazz band and vocal jazz ensemble auditions time are from 8:30-11:00 so if you are doing multiple auditions, sign up and do your jazz audition first.
 - **Jr. and Sr. Chorus** students will be sent audition times, so it is not necessary for them to sign up on the door.
 - **Junior Orchestra** students will report to the BHS auditorium from 8:30-11:30 a.m. for rehearsal and will be pulled out for auditions.
- All DNA's should be reported to Lesa Kline in the High School Library. There will be DNA forms for you to fill out.
- Most audition rooms are finished between 11:00 and noon. Some rooms will continue later in the day. If you have an audition after 1:00 pm, please arrive by noon at the latest so you can go early if slots open up because of DNA's.
- For students who must sign up for auditions, please have them sign up for the first available slot on the door and arrive at their audition room at least 2 audition times before their own.

- Food will be available in the cafeterias at both the junior high and high school for teachers and students to purchase.
- All directors please help with crowd control in the halls and homerooms. **Playing or singing is not allowed in the audition hallways.** You are responsible for your students' behavior and conduct. Please help!
- **Electronic pianos are not allowed in the audition hallways or anywhere near the audition rooms.**
- Junior High string players must bring wire music stands for the junior strings rehearsal.
- If you are an auditioner, you may not leave until you have completed all of the necessary paperwork and computer work related to scoring. To receive your pay, please see Lesa Kline in the high school library. Junior High judges may get your checks in the Junior High teachers workroom area.
- IMEA policy states that students' audition scores are to remain confidential. Directors will not be allowed to look at scores or be allowed to roam the library after auditions. Judges are not to give out any information to anyone. A billing sheet which lists the students selected from your school will be emailed to the contact person anywhere from 1-5 days after auditions. This billing sheet and the appropriate fees must be sent to the state office as soon as possible. The Band, Jazz Band, Orchestra, and Vocal Jazz Ensemble chairpersons will send music to each student selected as soon as they can.
- **If you have any questions please email Lesa Kline, District President, at lkline@prairiecentral.org or call 815-692-2355, ext. 114.**

I look forward to seeing you all at auditions! If you are a new director in District 3, please stop by the library and introduce yourself.

Lesla Kline, District President
