## 2009 IMEA DISTRICT VI FESTIVAL GENERAL INFORMATION

**THEFT/DAMAGE:** Neither Edwardsville High School or the IMEA can assume responsibility for lost, stolen or damaged equipment. Please provide appropriate instruction and supervision of student belongings and instruments.

**PARKING:** There will be attendants on duty in the morning to assist with parking. Buses should drop students off in front of the school and will then be directed to the parking area. Cars/vans may park in the staff or student lots. The Junior Chorus rehearsal area is across Center Grove Road from the school, and there is parking available there, too.

**FOOD SERVICES:** Lunch will be in the Edwardsville High School cafeteria (commons) and provided by their food service. Lunch times will be staggered, but students should be encouraged not to loiter in the commons after they have finished eating.

**MUSIC:** Band and Orchestra music will be provided in advance. Choral students should bring their own music. All students should remember a pencil for rehearsal.

**CELL PHONES:** Please request, in advance, that student cell phones be left in instrument cases, in purses, etc., so they are not a distraction during rehearsals.

**PERCUSSION:** Students must bring all sticks, mallets, beaters, drum set, (if necessary) percussion toys, and snare drum with stand.

**BAND AND ORCHESTRA:** All students must bring their own folding music stands.

**CELLO/STRING BASS:** Be sure to bring rubber end stoppers.

**ADMISSION:** Adults - \$3.00      Students - \$2.00  
Children under 10, festival participants, Directors - free

Admission tickets for the junior concert will be honored at the senior concert also. You may want to inform your parents that doors to the performance room will not open until approximately 2:50.

*Please note that more accurate accounting must take place this year regarding numbers of audience members, both paying and non-paying. This will be discussed at the general meeting.*

**CONCERT RECORDINGS:** Both concerts will be recorded by Rayford Raby of Alton. He will record in both CD and DVD format. Order forms will be available at the concert.

**SUPERVISION:** *Please take an active role in the supervision of all students. Please monitor behavior and do not hesitate to apply corrective measures for any student acting irresponsibly.*

**STUDENT SCHEDULES:** Please look closely at the student schedules that follow. Numerous changes have been made this year, primarily to accommodate being under one roof for the entire festival.
