If you have never been to our festival chorus experience (for 5th and 6th grade students with unchanged voices) or it has been a long time, this year would be a good one to try us out. We understand that budgets are tight.

5 GREAT reasons to SEND students to an IMEA Festival:

1. Motivate your students by giving them a bigger chorus in which to sing.
2. Broaden their horizons by singing under other directors.
3. Broaden their horizons by singing different music styles.
4. Reward students for great behavior in your local chorus.
5. Reward students for excellent singing in your local chorus.

3 GREAT reasons for YOU to come to an IMEA Festival:

1. Communicate, network with fellow directors.
2. Read through some new music for your chorus.
3. *Receive* a free packet of music.

Repertoire:

1. Appalachian Dances – C. Miller
2. Elijah and Joshua - Albrecht
3. Gloria Deo - Lightfoot
4. Beautiful December – A. Bernon
5. Nathan Nobb – W. Rands

There is NO fee for schools to get on our Elementary Mailing List. Yes, students all over the state do need to pay a fee for participation. Try to get your school to pay for it, because it will be a learning experience with direct connections to our Illinois State Standards.
