

2007 JR/SR PARTICIPATING SCHOOL FORM

IMEA District Map

****READ INSTRUCTIONS BEFORE COMPLETING****

Completion and receipt of this form will establish your school's eligibility, in accordance with the policies of the Association, for the 2007-2008 IMEA District and State Activities.

After a school has "Updated/Confirmed" their school information in the IMEA Registration/Nomination/Selection (RNS) On-line System AND upon receipt of this completed form, with the appropriate payment, the IMEA State Office will "activate" the school for access to the RNS On-line System, and the individual student nomination forms. All of the additional materials traditionally provided in a mailed Fall Information Packet are available on the IMEA website (www.ilmea.org) by clicking on "Division Information" All schools with Internet capability are expected to use the RNS On-line System.

CHECK HERE if the mailed Fall Packet is necessary for this school:

Deadlines

- July 27** Submit this form and fee to the State Office. This will assure that you receive early access to the RNS On-line System
- September 7** Absolute deadline for receipt of this form to establish your school's participation eligibility.

See District President Newsletter for the deadline for the District President to receive ALL Student Nominee Forms (NOTE: Deadline Dates MAY vary between Districts)

IMEA must receive one form and fee for **EACH LEVEL of Participation** from **EACH SCHOOL**. A school is generally defined as a single building (not a school district). For example, a single school building entering **multiple Levels of Participation** **MUST submit 1 form and 1 \$25 fee for EACH LEVEL**.

EXCEPTION: a high school district must submit 1 form and 1 \$25 fee for EACH LEVEL for EACH BUILDING that graduates students with a diploma. Separate 9th, 10th and/or 11th grade buildings are considered affiliated with their 12th grade building.
