THE HARMONICA IS EASY TO PLAY UNLESS YOU'RE ON ROLLER-SKATES IN A HURRICANE

HARMONICA: Hear It, Sing It, Play It!

Janet Gore and Judy Meyer Hays, presenters

In this session, participants will "play" through the process the presenters use to guide 3rd grade students in learning how to play the harmonica. A modified tablature for folk songs, children's books that can be incorporated, and website resources will be shared. All three Illinois State Standards can be easily addressed while teaching your students to play the harmonica. We'd like to show you how easy and energizing it can be! Thank you to Music Products Inc. for providing a free harmonica for each participant at this session.
